FOREWARD

The Mid-Atlantic Media Directory of Maryland - Washington, D.C. - Northern Virginia - Delaware has been published as a resource manual since 1984. This 28th edition is updated to March, 2016 and contains over 450 listings of newspapers, magazines, radio stations, television stations, online news media and cable companies serving the state of Maryland, Washington, D.C., Northern Virginia area (Alexandria City and counties of Arlington, Fairfax, Loudoun and Prince William), and Delaware. Seven geographical indices facilitate quick reference checks. The majority listing contains the name, address, phone numbers, fax numbers, Email addresses and web sites, key contacts, **(We added Sports Editors, Business Editors and Calendar editors)**; approximate circulation figures and other pertinent information. Most listings have specified how they prefer to receive press releases and community news. Also, there is a special State House Media section which lists the media covering Maryland State Government activity in Annapolis.

We will continue to make every effort to assure accuracy; yet, frequent changes in the communications industry are common. Therefore, the directory may not contain the latest information in each listing.

The Mid-Atlantic Media Directory is published yearly. We hope it will continue to serve as a useful guide to our subscribers and we welcome your comments and suggestions to better meet your future needs. Many thanks to our loyal subscribers for your support through the years.

To order additional copies send a check for \$60 per copy to THE MEDIA DIRECTORY, P.O. Box 2200, Annapolis, MD 21404 or go to our website at www.mediamaryland.com. A digital version is also available for \$106. As a set, both are \$145.
